### COVID-19 Case Update in Warren County

The Warren County Health Department is announcing 3 additional confirmed cases of coronavirus disease (COVID-19), bringing the total cases to 567. Most cases have experienced mild symptoms. 465 have had their symptoms resolve. Due to federal privacy restrictions, release of any additional information is prohibited. To date there have been 9 confirmed COVID-19 related deaths. Unable to report negatives today. IDPH reporting system is getting upgrades.

The new cases include:

- 2 females between the ages of 40-60
- 1 female between the ages of 60-80

County level COVID-19 metrics for **Week 43** from **October 18– October 24, 2020** have kept **Warren County at the WARNING level**. IDPH uses numerous indicators when determining warning signs of increased risk in the county. A county is considered at a warning level when at least two of the following metrics trigger a warning.

- **New cases per 100,000 people.** If there are more than 50 new cases per 100,000 people in the county. **Warren County: 270 per 100,000**
- **Number of deaths.** This metric indicates a warning when the weekly number of deaths increases more than 20% for two consecutive weeks. **Warren County: 1**
- **Weekly test positivity.** This metric indicates a warning when the 7-day test positivity rate rises above 8%. **Warren County: 11.7%**
- **ICU availability.** If there are fewer than 20% of intensive care units available in the region. **Warren County: 40.5%**
- **Weekly emergency department visits.** This metric indicates a warning when the weekly percent of COVID19-like-illness emergency department visits increase by more than 20% for two consecutive weeks. **Warren County: 8.9%**
- **Weekly hospital admissions.** A warning is triggered when the weekly number of hospital admissions for COVID19-like-illness increase by more than 20% for two consecutive weeks. **Warren County: <5**
- **Tests performed.** This metric is used to provide context and indicate if more testing is needed in the county. **Warren County: 427**

**Test sites located in Warren County: OSF Medical Group-Monmouth at 309-734-1414 (symptomatic only) and Cottage Clinic at 309-734-0100. Knox County Health Department at 309-344-2225 and Eagle View Health Systems at 309-867-2202 are community-based test sites that can test symptomatic or asymptomatic along with HyVee Pharmacy on E Main in Galesburg-register at [www.doineedacovid19test.com](http://www.doineedacovid19test.com)**

These metrics are intended to be used for local level awareness to help local leaders, businesses, health departments, and the public make informed decisions about activities they choose to participate in. The metrics
