### COVID-19 Case Update in Warren County

Illinois has started to receive allocations of COVID-19 vaccine. **We are currently in Phase 1A** for prioritization due to limited supply. Once Warren County receives an allocation that supports Phase 1B which includes those 65 years and older along with essential frontline workers, we will release details regarding our plans for how to get your vaccination. Please follow our Facebook page, website, local news and radio stations for up-to-date information regarding availability of vaccine.

The Warren County Health Department is announcing 3 additional confirmed cases of coronavirus disease (COVID-19), bringing the total cases to 1555. 1472 cases have had their symptoms resolve. Due to federal privacy restrictions, release of any additional information is prohibited. To date there have been 9459 negative tests and 44 confirmed COVID-19 related deaths.

New cases include:
